DISCLAIMER

This Operating Supplies & Equipment (“OS&E”) and Furniture, Fixtures & Equipment (“FF&E”) Price List (the “Price List”) is provided solely for general informational, illustrative and marketing purposes and does not constitute a binding offer, contractual commitment, warranty or representation of any kind. Nothing contained in this Price List shall form part of any contract or create any obligation on the part of the Developer, the Hotel Operator or any of their respective affiliates, except to the extent expressly incorporated into the executed Purchase and Sale Agreement or other definitive transaction documents.

The information contained herein reflects the Developer's current design intent and procurement assumptions as of the date of publication and is subject to change without prior notice.

FF&E PACKAGE AND PROCUREMENT

The OS&E and FF&E Package described in this Price List is intended to satisfy the brand standards and operational requirements applicable to participation in the Rental Programme.

Accordingly, the Developer and Hotel Operator reserve the right, at any time prior to completion, to revise, upgrade, modify, substitute, replace, add to or remove any OS&E or FF&E item, including furniture, fixtures, equipment, appliances, materials, finishes, accessories, specifications, layouts, quantities, manufacturers, brands, models or suppliers, where reasonably required due to product availability, manufacturer discontinuation, procurement considerations, supply chain constraints, freight or logistics requirements, customs duties, tariffs, taxes, exchange rate fluctuations, regulatory requirements, operational needs, construction requirements or changes to applicable brand standards.

The Developer and Hotel Operator reserve the exclusive right to source and procure all OS&E and FF&E items from suppliers of their choosing and may substitute any manufacturer, brand or product identified in this Price List with alternatives that, in their reasonable judgment, are of comparable or superior quality, design intent and operational functionality.

The final composition, specifications, quantities, finishes and selection of all OS&E and FF&E items may differ from those illustrated or described herein, provided that the overall quality, design intent and operational standard of the completed residence are substantially maintained.

Package pricing is based upon current procurement assumptions, supplier quotations and prevailing market conditions and may be adjusted prior to final procurement and installation to reflect changes in supplier pricing, product availability, freight and logistics costs, customs duties, tariffs, taxes, exchange rates, installation costs and other procurement-related expenses.

PROJECT FEATURES, RENDERINGS AND SPECIFICATIONS

All photographs, renderings, illustrations, floor plans, furniture layouts, product images, specifications, dimensions and other visual or written materials contained in this Price List are conceptual, artistic and representative only and may not reflect the final completed residence or FF&E Package as installed.

Appliances, materials, finishes, recreational features, amenities and services may be modified, replaced or omitted at the Developer's discretion as construction progresses. Square footage measurements are approximate and may vary due to construction methods. References to amenities, services and experiences that “are” available may refer to offerings that will become available upon completion of the development.

Prospective purchasers should not rely upon this Price List as a guarantee of any specific product, manufacturer, specification, feature, finish, design, layout or service.

Access to hotel amenities, concierge services and other hospitality services may be subject to separate agreements, operating policies, management arrangements and additional fees.

Construction schedules and completion timelines are estimates only and may be affected by weather, permitting, labour availability, material availability or other circumstances beyond the reasonable control of the Developer.

BRAND DISCLOSURES

The branded residences described herein are not owned, developed or sold by Nikki Beach Hospitality Group. Nikki Beach Hospitality Group makes no representations, warranties or guarantees regarding the development, construction, marketing, sale or operation of the residences.

The Developer is licensed to use certain Nikki Beach trademarks pursuant to a limited, revocable licence agreement, which may expire or be terminated in accordance with its terms. Neither Nikki Beach Hospitality Group nor the Developer shall be liable for any differences between the concepts presented herein and the completed project.

LEGAL AND REGULATORY INFORMATION

This Price List is preliminary in nature and is provided solely for informational purposes. It does not constitute legal, financial, tax or investment advice, nor does it constitute an offer to sell real estate or securities in any jurisdiction where such offer would be prohibited or require prior registration, licensing or qualification.

The final scope of the OS&E and FF&E Package, including procurement, specifications, pricing, installation and the purchaser's rights and obligations, shall be governed exclusively by the executed Purchase and Sale Agreement, Rental Management Agreement, Shared Facilities & Services Agreement, Master Declaration and any other applicable transaction documents. In the event of any inconsistency between this Price List and the executed transaction documents, the transaction documents shall prevail.

Prospective purchasers are encouraged to consult independent legal, financial, tax and real estate advisors before entering into any transaction.

LIMITATION OF LIABILITY

While reasonable efforts have been made to ensure the accuracy of the information contained herein, the Developer, the Hotel Operator and their respective affiliates, agents and representatives make no warranties or representations regarding the completeness or accuracy of the information provided and expressly disclaim liability for any loss or damage arising from reliance upon this Price List.

Nothing contained herein shall be interpreted as a representation or guarantee regarding future investment performance, appreciation in value, rental income, occupancy levels or financial returns. References to nearby attractions, services or infrastructure are based upon publicly available information and remain subject to change.

During any period in which the branded residences are operational prior to the opening of the corresponding Nikki Beach hotel, hotel services and management by Nikki Beach Hospitality Group will not be available.
